The weekly charge is multiplied by 51 weeks and divided by 12 to give an equal monthly payment for the full year. If your child is receiving FEEE funding you will receive the number of hours claimed at no charge for 38 weeks and there will be a weekly supplementary charge made for meals, consumables, etc. Our published all-inclusive rates will apply for the remaining 13 weeks. All will be added together and divided by 12 to give an equal monthly payment for the full year. Term time only places, out of school clubs and holiday clubs are charged per session. A Family app administration fee will be charged each month per family on annualised booking patterns and per week if charged per session.
